

Copy the verse in your best handwriting to help you commit it to heart.

"Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man." Ecclesiastes 12:13

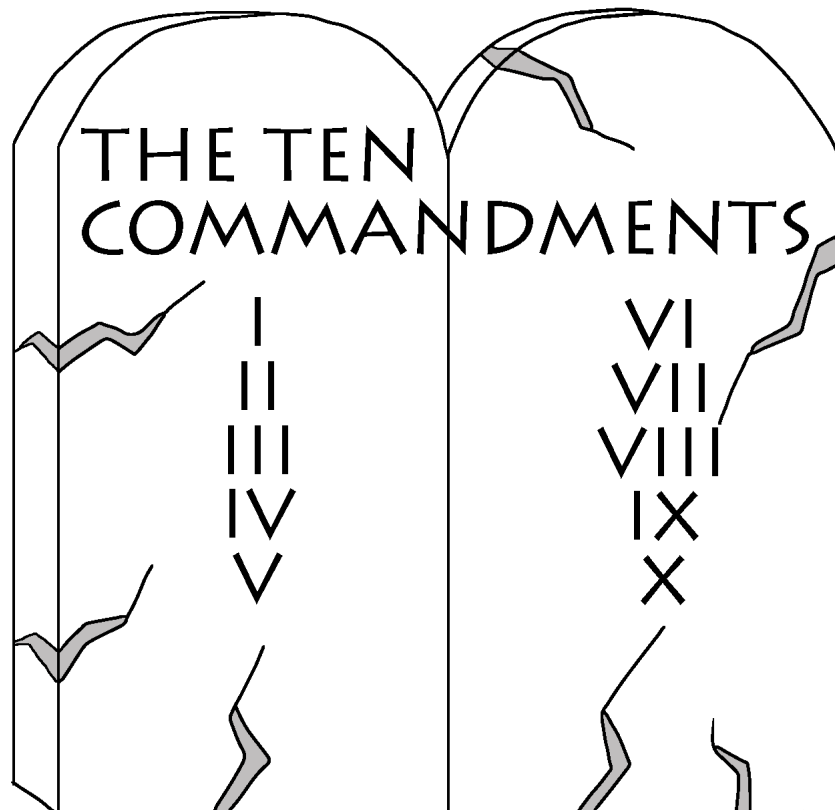

[illegible]

Below is the verse from Ecclesiastes 12:13. Some words have been replaced with a blank line. Under the line are the letters for the word that belongs on the line, but the letters are scrambled. Unscramble the letters and write each word on the blank.

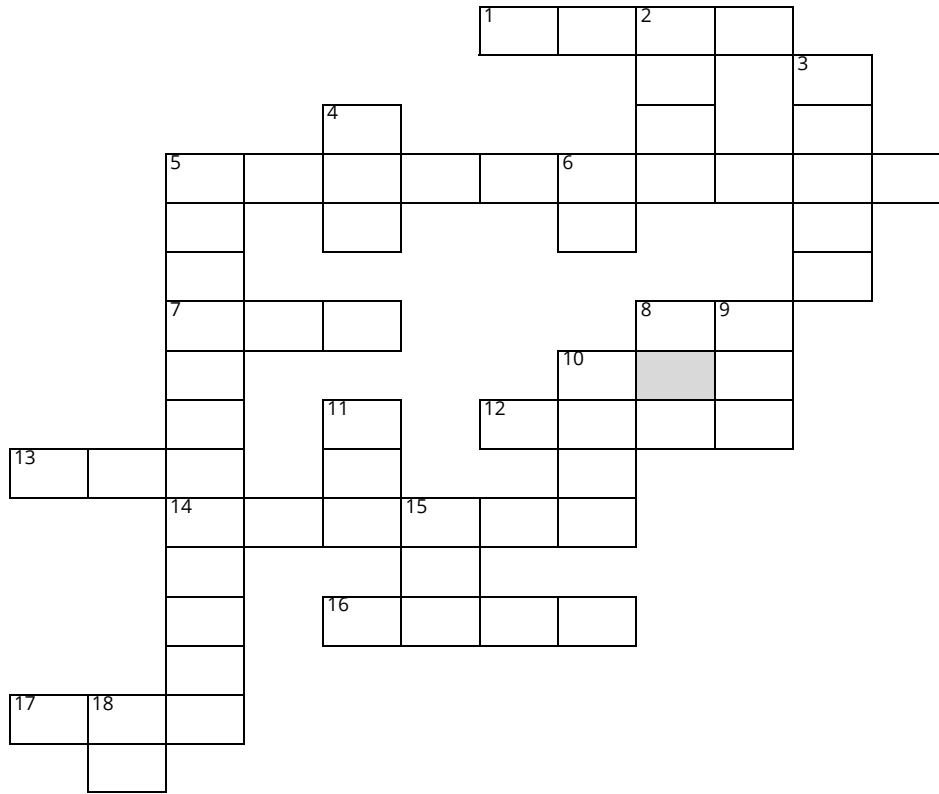

"Let us the of the

"Many waters cannot quench love, neither can the floods drown it: if a man would give all the substance of his house for love, it would utterly be contemned." Song of Solomon 8:7

[illegible]

Write the words on the lines that are missing from Song of Solomon 8:7. To find the right words, add the letters together for each word in the word box. For example, if the word is "cat," add "c(3) a(1) t(20)" to get 24. Write 24 beside the word in the box. Do this for each word in the box. Now look at the numbers. If you have a line with 24 beneath it, you know the word to write is "cat." (Hint: Each word in the word box is only used one time.)

"Also I heard the voice of the Lord, saying, 'Whom shall I send, and who will go for us?' Then said I, 'Here am I; send me.'" Isaiah 6:8

This image shows a full page of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins or other markings visible.

Write the words that are missing from Isaiah 6:8. Under each line is a code to help you discover what the letter is. Find each letter in the graph and then write the letter on the line. Use the code for finding each letter. For example, if the code is Across 4, Down 3, (A4-D3), follow the Down row 3 over to Across column 4 and find the letter e. In the instructions, A stands for Across and D stands for Down.

"And ye shall seek me, and find me, when ye shall search for me with all your heart." Jeremiah 29:13

[illegible]

Write the words that are missing from Jeremiah 29:13. Each missing word is shown by lines for the letters in the word. Under each line is a math problem. Solve each math problem and find the letter in the graph by matching the answer you got with the letter in the chart. Be sure to watch the sign in the math problems!
