

Part 5: Exodus 11-12

Read Exodus 11-12 in the version of the Bible you choose.

Commit the following Bible passage to memory. It is included here from the King James Version, but you may memorize it from whatever version of the Bible you choose. Write the Bible passage from that version on the lines below.

"For the Lord will pass through to smite the Egyptians; and when he seeth the blood upon the lintel, and on the two side posts, the Lord will pass over the door, and will not suffer the destroyer to come in unto your houses to smite you." Exodus 12:23 (KJV)

Who does Exodus 11:5 say would die in the last plague the Lord would bring upon Egypt?

What does Exodus 11:7 say will happen to the children of Israel?

In Exodus 12, what did God tell Moses each household was to take on the tenth day of the month?

What should be done if a lamb was too much food for a smaller family?

What was to be done on the fourteenth day of the month?

What was to be done with the blood of the lamb after it was killed?

What were the people supposed to eat with the lamb?

For how many years were the people of Israel supposed to do this service?

What were the people supposed to tell their children if they asked what this service meant in the future?

In Exodus 12, did the children of Israel obey the commands God gave them through Moses?

About how many people, besides women and children, journeyed from Rameses to Succoth on foot?

Promises

In Exodus 12:41, how long does it say the children of Israel lived in Egypt? Look back to Genesis 15. Who was God speaking to when He said his descendants would live in a strange land and be afflicted for four hundred years? What does God say He will do to the nation that the descendants serve? How does God say the descendants will come out of that nation? Does God keep His promises? What is one of God's promises that means something special or important to you?

Word Mining

Some of the Passover-related words in Exodus 11-12 are *unleavened*, *lamb*, and *Passover*. See how many words of three or more letters each you can make from the letters in these words by mixing the three words together. You can only use letters in a word the number of times they appear in the three words. For example, you can use the letter *a* only 3 times, the letter *n* only 2 times, and the letter *r* only 1 time in a word.

The Passover Lamb

God gave Moses and the people many rules about Passover. Part of the reason for the rules was because He was going to use Passover to point forward to Jesus. What rules are given in Exodus 12:7, 15, and 46 (regarding bones)? Read Exodus 12:12-13, John 19:36, and I Corinthians 5:6-8. What do you see in Passover that points to Jesus? How is Jesus the Passover lamb who brings deliverance?

Part 6: Exodus 13:17-14:31 and 15:22-16:36

Commit the following Bible passage to memory. It is included here from the King James Version, but you may memorize it from whatever version of the Bible you choose. Write the Bible passage from that version on the lines below.

*"And Israel saw that great work which the Lord did upon the Egyptians: and the people feared the Lord, and believed the Lord, and his servant Moses."
Exodus 14:31 (KJV)*

What reason did God give for why He did not take the Israelites through the land of the Philistines when He led them out of Egypt?

Whose bones did Moses take with him when the Israelites left Egypt?

In what form did God lead the Israelites by day? By night?

How many chariots did Pharaoh take with him when he went after the Israelites after they left Egypt?

What did God send to cause the Red Sea to part and allow the people to cross on dry land?

According to Exodus 16, what food did God send to the Israelites when they were hungry?

Trusting God

Read Exodus 14:11-12 again. Sadly, it didn't take the people long to start questioning Moses and complaining. Now read Exodus 14:31 again. What was the people's response to what God did? Look at Exodus 16. What did the people allow their hunger and fear to make them think and do? Why do you think they did this? After God again provided, why do you think some disobeyed? What should the people have done in each situation?

Search It Out

In this section of Exodus, there are several places mentioned. They may be a wilderness, a body of water, or another area, but all are places related to the traveling of the Israelites. Below is a list of places. On the line after each place, write the chapter and verse where you find each one mentioned. (Some places are spelled differently in different versions, so just match them to the best reference you find in your reading.) There may be more than one reference, but you only need to note one of them on the line. When you have finished, find the name of each place in the word search.

Asking God to Provide

Look again at Exodus 16 and note how God provided food each day for the Israelites as they needed it. Now, look at Matthew 6:11 and Luke 11:3. What does it say there about God's provision? Why do you think God encourages us to trust Him daily with everything (not just food) instead of worrying about the future? What could the dangers be in getting into a habit of forgetting to look to God daily for your needs?
