[illegible]

How did the kings of the Amorites and the kings of the Canaanites react when they heard that the Lord had dried up the waters of Jordan so that the children of Israel could pass over?

Why did the Lord order all of the children of Israel to be circumcised?

What did the children of Israel eat on the day after the Passover?

What did the children of Israel no longer have to eat following the day after the Passover? What did they have to eat instead?

What did Joshua ask the man he saw standing with his sword drawn?

For how many days were the children of Israel to march around the city of Jericho?

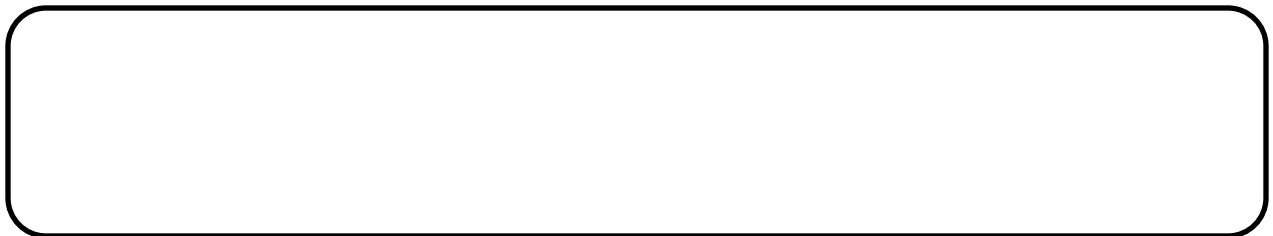

What things were different about the orders that children of Israel had for the seventh day?

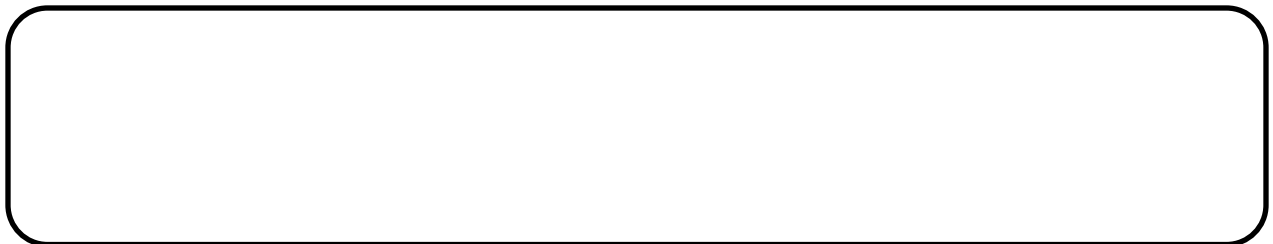

What happened when the children of Israel obeyed the orders on the seventh day?

Where did Joshua tell the children of Israel the silver, gold, brass, and iron would go after the city was destroyed?

What did Joshua order the two men who had gone as spies to Jericho to do when the city was attacked?

What did Joshua say concerning any future rebuilding of Jericho?

Ancestors

Joshua chapter 6 tells the story of the fall of Jericho. Joshua told the two spies who had explored the country to go in immediately and get Rahab and her family and bring them out to save their lives. Look back to chapter 2 of Joshua and reread how Rahab helped the spies. Now, read the first five verses of Matthew, chapter 1. Who do you see mentioned in the genealogy of Joseph, Jesus' earthly father (the name is spelled Rachab in the New Testament of the King James Version)? Now, look at Hebrews 11:31. What does it say about the reason Rahab did not die with the other inhabitants of Jericho? What does all this show you about mistakes people make in their past if they turn their lives to Jesus and receive forgiveness?

The Israelites crossed over the Jordan before they attacked Jericho. See how many words of three or more letters each you can make from the letters in these words by mixing the three words together. You can only use letters in a word the number of times they appear in the three words. For example, you can use the letter *c* only 1 time, the letter *o* only 2 times, and the letter *r* only 3 times in a word.

Holy Ground

Joshua 5:14-15 tells what the captain of the Lord's host said to Joshua. For what occasion was something similar said to Moses? Where can you find this in the Bible? How did Joshua's reaction and Moses' reaction compare?

Part 4: Joshua 8 and 12

Read Joshua 8 and 12 in the version of the Bible you choose.

Commit the following Bible passage to memory. It is included here from the King James Version, but you may memorize it from whatever version of the Bible you choose. Write the Bible passage from that version on the lines below.

"And the Lord said unto Joshua, Fear not, neither be thou dismayed: . . ."
Joshua 8:1 (KJV)

[illegible]

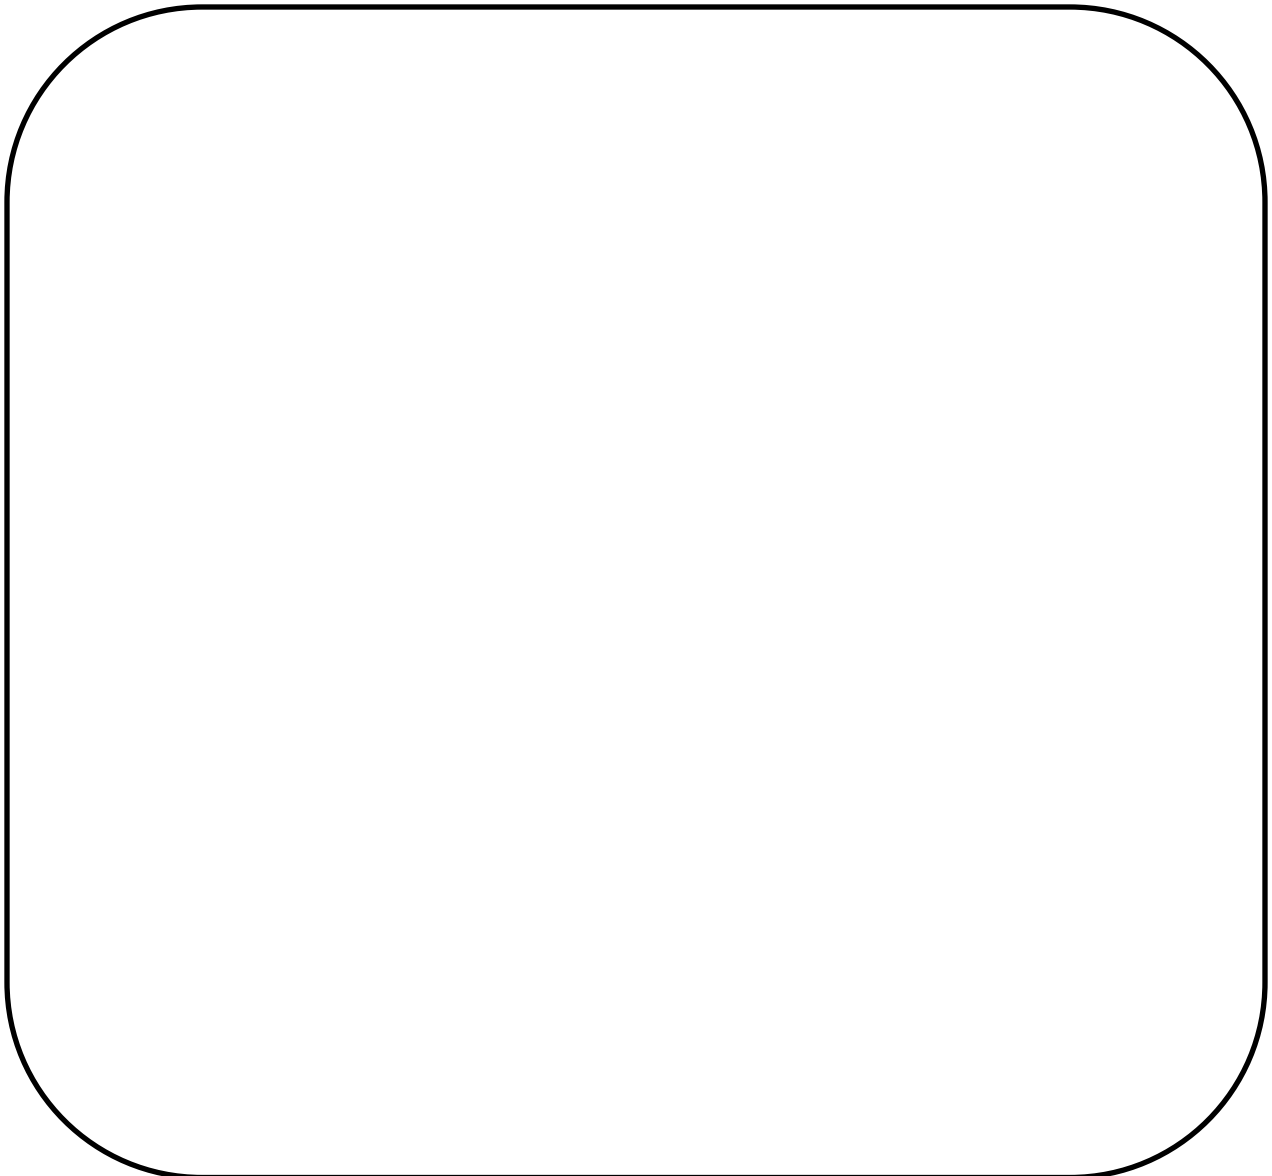

In Joshua 8:1 what city does the Lord tell Joshua He has given to the Israelites?

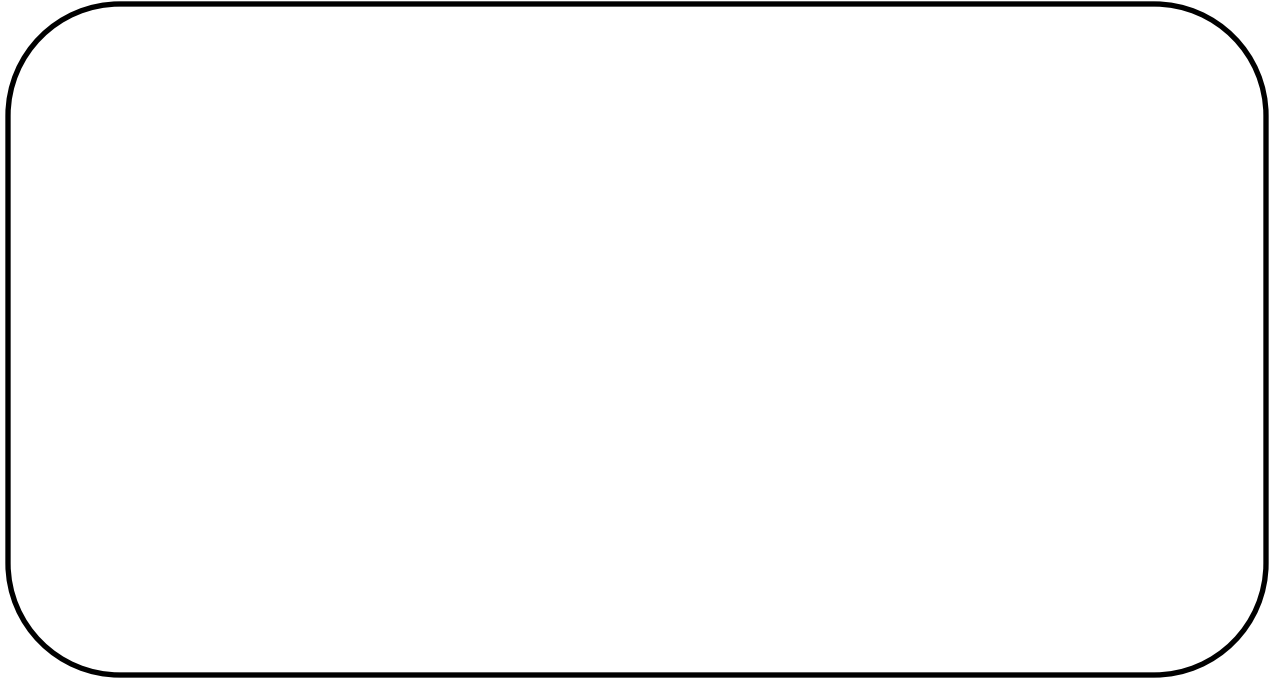

What does God tell Joshua would be the difference in what happens to the cattle and the spoil of this city?

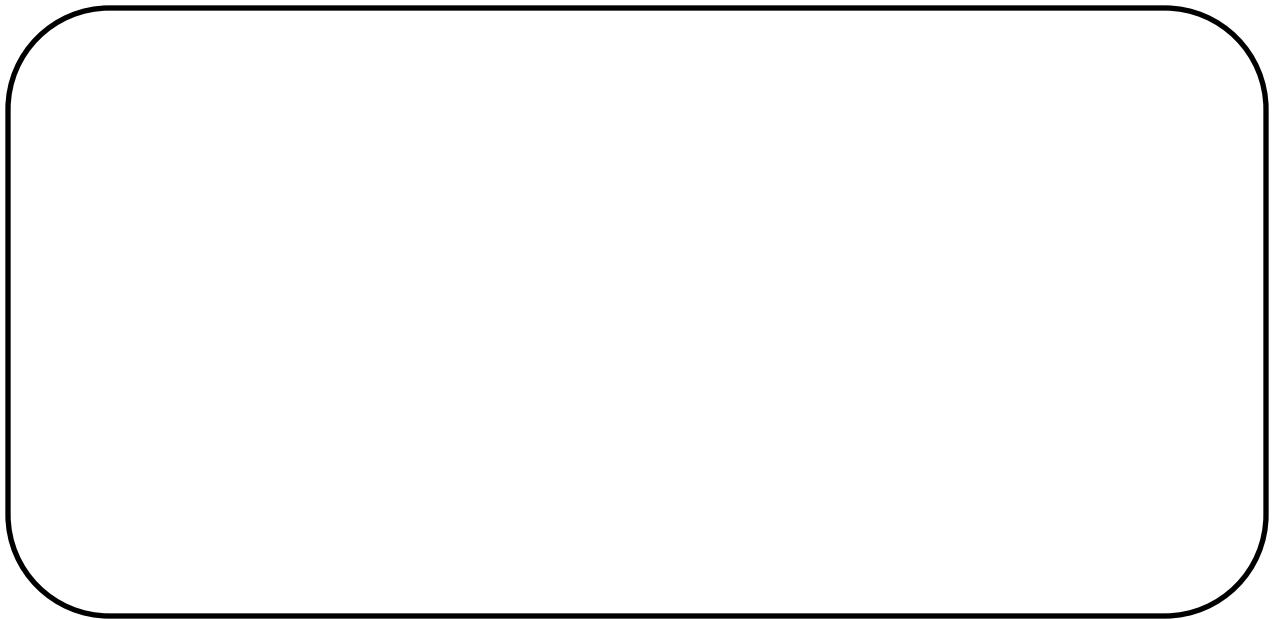

Write a short summary of the way Joshua handled the battle.

What did Joshua build on Mount Ebal, and what did he write on the stones he used to build it?

What kings are named in Joshua 12:2-6, that Israel fought and triumphed over while Moses was leading them before he died? Note next to each name where he ruled.

How many kings did Joshua lead the people in triumph over when he led the Israelites?

Spoils

Read Genesis 4:4 and Numbers 3:41. These verses talk about giving the firstlings of the flocks as an offering to the Lord. Do you think, after reading Joshua 6:19 regarding the spoil from the fall of Jericho and Joshua 8:2 regarding the spoil of the fall of Ai, that this gives a partial explanation as to why the spoil of the two cities was treated differently?

Reminders

In Joshua 8, after the battle at Ai, Joshua read all the words of the law to the people. In the past, the Lord had directed the people to review the law. Do you think it was helpful for the people to hear the words of the law read to them again? Do you think it is helpful for people today to review the Word of God often? Why or why not?
