## Find the Words

Decode the words below. Under each line of the word is a code to help you discover what the letter is. Find each letter in the graph and then write the letter on the line. Use the code for finding each letter. For example, if the code is Across 4, Down 3, (A4-D3), follow the Down row 3 over to Across column 4 and find the letter e. In the instructions, A stands for Across, and D stands for Down. After decoding the words, write one of the references where you can find the word in Ruth 1-2 (KJV) on the line. If you do not know the meaning of any word you decode, look it up to help you better understand what you have read.
